

The diagram illustrates a hierarchical tree structure. At the top is a light green rectangular node labeled **A1**. Below **A1** is a light blue rectangular node labeled **A2**. Below **A2** is a light tan rectangular node labeled **B**. Below **B** is a light pink rectangular node labeled **C**. The nodes are arranged in a vertical stack, with **A1** at the top, followed by **A2**, **B**, and **C** at the bottom. The nodes are connected by thin lines, indicating a parent-child relationship.
